Two of my dogs died this morning...

I was going to make a public post but...

do you think you could make it for me?

I'm so sad.

They've been in my family since before I was born.

So now I can check off four deaths in my immediate family..

....in the past month.

Hey Pluto, I suggest you read Judges 11 in your Bible. It is about a man who suffered greatly but trusted in God despite the circumstances he was in. It might help you in this time your going through.

Ok, I did. I don't think they were accusing you of being the same person as Nacho. I think they were using you and Nacho as an example of two siblings that are really close. Because I am sure most everyone on these forums know how close you are to Nacho. So, don't stress about it too much.

(Just FYI, I am sending this before you told me who it is.)

Technically, we deserve eternal death and punishment. Only by God's grace do we not get what we deserve. Without God's grace we would get that punishment and get what we all deserve. I am sorry what is happening is happening. I wouldn't say you necessarily deserve exactly what is happening but, God is putting you through this for a reason. You just need to trust him and trust that he will pull you through this. God says that with every trial and temptation, there is a way of escape. You just need to believe.
